Pre-Approved for CompTIA CEUs

Note: Approved training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid. Training submitted after the date on this document must meet this documents training requirements.

Training approved in this document is based on the exam objectives:

- A+ 220-901 and 220-902
- Network+ N10-006
- Security+ SY0-401
- CASP CAS-002

Activity name to use when uploading CEUs into a certification record:

Completed a Training Course

Training formats accepted are Classroom-Based, Live Online, Private On-Site and Self-paced e-learning.

CEU Required Documentation

The certified professional must upload a certificate of completion into their certification record as proof of attendance.

Completion Certificate

1. Name of training provider
2. Training course title
3. Name of the certified professional
4. Date the training was completed

Training must be completed within the three-year CE Renewal cycle The course duration hours are to be used when entering CEU hours in a certification record. Please see the training provider course descriptions for durations.
